How do these affect the way a vehicle moves?

Design a car to take on a road trip round the USA.

#### **Healthy Living.**

How do alcohol, cigarettes and drugs affect how our bodies work?

### **Homework**

\*Make a sculpture of a famous landmark from a country of your choice. You could include a fun fact file too.

\*Plan your dream holiday. Where would you go? How would you get there? What would you do when you arrived? How much would it cost? Present it as a power point presentation or a holiday brochure.

\*When going on outings find out how far you have gone and how long it took to get there. Can you work out the speed you went? Display your data in the best way.

\*Write a story or poem with the title A day without friction.

\*How many different languages can you greet someone in?
