- *Technological advances*

Homework

1. *Find out about the decade your parents or grandparents were born in or grew up in. Write some questions you want to ask them and interview them.*
2. *Create a plan of ideas for a time capsule for this current decade. What would you put in it and why?*
3. *Create a time line of important events of the last 100 years. Pick one or two for each decade.*
4. *Learn a song from a different era/decade putting your own spin on it eg. change the lyrics, use different instruments, perform it and upload to SeeSaw.*
5. *Create a piece of art eg. collage that represents a certain decade. Use pictures specific to that decade.*
6. *Compare the price of different things across the decades Wales eg. shopping, cars, homes etc....*

Expressive Arts

- *UP BEAT*
- *Artists of the 20th/21st century*
- *Art across the decades*
- *The development of Film and TV*
- *Music through the decades*
