Homework

1. Write your own story with flashbacks.
2. Create your own journey through music.
3. Make and produce your own drama about a journey and record it, e.g. through acting or on an animation.
4. Set yourself a PE goal, that you practise each week and write a brief summary of the journey to achieving it.
5. Take a Journey to anywhere in the world, explore & learn about life there. Present your findings.
6. Create and design your own time machine. How does it work? What does it look like? Where would you go?
