

### **Language, Literacy and Communication**

Share a selection of jungle stories –Rumble in the Jungle, Giraffe's can't dance, African adventure, wild in Africa, Handa's surprise, The clever monkey, The great Kapok tree, The elephant's friend, Indian folktales.

Write about how we can help to alleviate the possible extinction of some animals.

Write animal fact files.

Use animation to create a jungle animal that talks.

Write a postcard from Africa on safari.

Write information texts about Rainforests

Write a newspaper report of an animal that escapes from a zoo.

Create cartoon strips based on a jungle theme.

Compare and write about your life in comparison to Handa's

Make a list of what you would take on safari

### **Maths and Numeracy**

Recite number sequences forwards and backwards in 2's, 5's and 10'

Position and order 3-digit numbers

-Use number cards and number lines

Make the biggest/smallest number with 3 digits

-Compare these numbers and make connections with measures and money

Find totals and give change from £1

Practise doubles of multiples of 10 and 100

Learn multiplication facts, x3, x4

Adding and subtracting 2 digit numbers

Solve multiplication and division word problems

Sort and describe 2d and 3d shapes

Make and follow repeated patterns

### **Science and Technology**

Jungle job cards

Collect daily rainfall and temperature and compare to the Amazon

Experiment with waterproof material

Observe plants growing in different environments

Animal poo – herbivore/carnivore/omnivore

Quick sand experiment with aniamls

Animal animation

Enterprise week and fayre

Label parts of a plant/grow plants and vegetables

Bug hunts – classifications/identification

## ***Rumble in the Jungle*** ***YEAR 1/2***

### **Expressive Arts**

Make African masks and African music

Create animal dances/movements

Year 2 Leaver's jungle themed show

Jungle themed stick puppets/rain sticks

Make a sun dial to tell the time

Make pretend medicines from nature/printing

Create an insect hotel

Make tribal pottery using clay

Create tribal designs with chalk and pastels

Create black and white sketches of animals

Paper plate jewelry

Horizon art, Giraffe's with Adinkra symbols

### **Humanities**

Focus on an animal each week:

Elephant, lion, monkey, giraffe

Learn about the jungle and Rainforest

Find out about endangered species

Plan a visit from Zoo Lab

Focus on the continents of Africa and Asia –

Identify the animals and plants in these continents. Habitats

Label parts of the Rainforest.

Look at rivers Nocturnal animals

### **Health and Wellbeing**

Make healthy 'Jungle Juice' drinks

Research food originating from rainforests and find out where they grow.

Tasting foods from different continents

Moving our bodies like various animals

Taking part in various running, jumping and throwing races in preparation for Sports day

Personal targets and goals for the summer term

Growth Mindset activities

Learning how to protect our bodies from extreme heat and cold

Healthy living/well-being week
