

Language, Literacy and Communication

Share a selection of stories about celebrations.
Focus on using finger spaces and full stops in our writing.

Retell stories orally and in writing.

Write an invitation to a celebration, eg: a birthday party.

Write a list of things we need for a celebration.

Daily incidental Welsh using familiar language patterns.

Read Write Inc. sessions.

Acrostic poems.

Individual reading sessions.

Write about a celebration you have been to (it could be a birthday party, Christening, wedding, etc).

Maths and Numeracy

Recite number sequences forwards and backwards from different starting points. Count forwards and backwards in 10's to 100. Count forwards in 5's to 20. Use ordinal numbers to 20. Read and write numbers to 20. Count reliably up to 20 objects. Order numbers to 20- 1 more than/less than, 2 more than/less than, number after/before. Partition teen numbers. Comparing numbers- which is more/less. Doubles to 10. Add and subtract numbers involving up to 10/20 objects. Find totals up to 10p and use different combinations of money to pay. Use non-standard measures to measure length, height, distance, weight, mass. Recognise and name common 2D shapes.

Have a shape hunt around your home and/or garden. How many of each 2D shape can you find?

Science and Technology

Changing seasons/ signs of Autumn and Winter.

Floating and sinking.

Light and dark.

Create a graph using ICT to show how many children have birthdays in each month.

Take photographs using an i-pad and learn how to upload to our Seesaw folders.

Internet safety including stranger danger.

Make a model of a mode of transport that can float.

Let's celebrate

Dosbarth Maple-Year 1

Expressive Arts

Create a piece of art using natural materials, eg: leaves, sticks, pebbles/stones, bark, etc.

Create items for a celebration, eg: party hats, balloons, cakes, etc.

Create movements to music.

Use instruments to accompany the song 'Happy birthday' –investigating the different noises each instrument makes.

Learn songs for our Harvest Festival and Nativity performance.

Design your perfect birthday cake- create a drawing/model of your cake.

Humanities

Harvest- including a visit to the Church.

Diwali.

Guy Fawkes.

Remembrance Day.

Thanksgiving.

The Christmas story./Nativity performance

Find out about a celebration in another country and draw a picture or write about it.

Health and Wellbeing

Outdoor learning sessions.

Weekly Jigsaw lessons.

Weekly PE Sessions.

Create our Class Charter showing the rules for our class.

People who are special to us.

What makes a good friend.

Create a memory box of things that make you happy.
