Writing instructions.

World book day- dress as a favourite character and bring a favourite story book to school.

Daily incidental Welsh using familiar language patterns.

Eisteddfod competitions.

Read Write Inc. sessions.

Individual reading sessions.

### **Maths and Numeracy**

Recite numbers up to 100 forwards and backwards and from different starting points. Read and write numbers to at least 20, forming and orientating correctly. Count reliably up to 20 objects by anchoring on 10. Recall doubles and halves to 10. Find halves in practical situations. Use counting on strategies to add 2 collections and counting back strategies to mentally solve problems. Add 10 to a single digit number and subtract 10 from a teen number. Make a sensible estimate of a number of objects that can be checked by counting. Pay for items up to 20p anchoring on 10 using different combination of coins. Give change from 10p. Use standard units of time to read o'clock. Recognise and create a symmetrical picture. Use non-standard measures to measure capacity.

### **Science and Technology**

Investigate planets and the solar system.

Investigate light and shade/ day and night.

Planetarium visit (to be confirmed)

Investigate states of water.

Floating and sinking.

Conserving water.
