

### **Language, Literacy and Communication**

Share a selection of fictional stories based on the sea and pirates. Retell some of these in our writing.

Focus on using capital letters, finger spaces and full stops in our writing.

Write an information text about pollution in our oceans.

Write a newspaper report.

Create a cartoon strip.

Talk like a pirate and find out our pirate name.

Read sea themed sentences and match these to corresponding pictures.

Daily incidental Welsh using familiar language patterns.

Eisteddfod activities.

Read Write Inc. sessions.

Individual reading sessions.

[Write a message in a bottle from a desert island.](#)

### **Maths and Numeracy**

Order days of the week and months of the year.

Read o'clock and half past on analogue and digital clocks. Use different combinations of coins to pay for items up to at least 20p. Use known facts to add a single digit number to a teen number and to subtract a single number from a teen number. Solve one-step problems that involve addition and subtraction. Make whole turns and half turns. Describe position, direction and movement. Use non-standard units to measure capacity. Make a sensible estimate of measurement in length, weight and capacity that can be checked using non-standard measures.

[Order a random set of numbers within 50 placing smallest/ largest first.](#)

### **Science and Technology**

Explore the properties of materials such as wood, plastic, metal, glass, brick, paper and card to see which float and which sink.

Make our own boats and test if they float.

Explore how much 'cargo' a boat can hold before it sinks.

Light and dark- lighthouses.

Learn about creatures that live under the sea.

Sort and classify objects made from different materials.

Gather and record information on a simple graphing program.

Program a roamer to move to a given location.

[Play the hungry pirates game on the Top marks website- using directions.](#)

## ***Land Ahoy!***

### ***Dosbarth Maple-Year 1***

#### **Expressive Arts**

Art week- w/c 22<sup>nd</sup> May.

Create a lighthouse from junk or construction materials.

Design a pirate flag.

Observational drawings of boats- looking carefully at shape and form.

Listen to and join in with songs about sailors and pirates.

[Draw and label your own pirate treasure chest.](#)

#### **Humanities**

Open the book assemblies. Bible stories- Noah's Ark, Jesus calms the storm.

Ramadan/Eid- Creating a Tree of Gratitude.

Earth Day- 22<sup>nd</sup> April. King's Coronation- 5<sup>th</sup> May.

Create a treasure map including geographical features such as forests, beaches, caves, mountains, swamps, lakes, etc.

Learn about famous pirates.

[Talk to your parents/family about Earth Day and what they can do to help the Earth.](#)

#### **Health and Wellbeing**

Outdoor learning sessions.

Weekly Jigsaw lessons.

Weekly PE Sessions.

Healthy living week- w/c 5<sup>th</sup> June.

Sports Day.

Learn about water safety- visit from the RNLI.

[Create your own treasure chest of items that are special to you.](#)
