

Language, Literacy and Communication

- Write explanation texts
- Explore and create our own poetry
- Write a fantasy story based on a Welsh folk tale
- 26th Feb – National tell a fairy tale day
- Write a recount of an event
- Read and explore Welsh literature and poetry in preparation for our Eisteddfod
- Write a poem in Welsh
- Learn the days of the week/months of the year in Welsh

Homework: write a poem about something you have experienced or somewhere you have been. This could be an acrostic poem, a shape poem or free verse.

Maths and Numeracy

- Time – o'clock, half past, quarter past, quarter to
- Analogue and digital time
- Reading and interpreting timetables
- Days of the week/months/seasons
- Standard units of measure
- $\frac{1}{2}$ and $\frac{1}{4}$ turns clockwise and anticlockwise
- 2D/3D shapes
- Symmetry
- Using lists/tables

Homework: create a timetable to show what you do on each day of the week

Science and Technology

- Explore circuits and electricity
- Magnets and the properties of magnetic materials
- How does sound travel?
- How does light travel?
- British Science Week 10-19th March
- How can we provide clean drinking water?

Homework: find items around your house and sort them into magnetic/non-magnetic. Present your findings in a clear list/table/diagram.

How Does it Work?

YEAR 2

Expressive Arts

- Take part in UpBeat samba sessions
- Design and making a useful product for mothers day
- Explore the history of the Welsh flag and design a new flag to represent Wales
- Create artwork relating to Wales for the Eisteddfod
- Listen to and learn a range of Welsh songs for the Eisteddfod

Homework: create a flag to represent you and your family.

Humanities

- Learn about St Dwynwen's Day and why it is celebrated in Wales
- World Religion Day
- Explore the history of the patron saints of the UK – St David, St Patrick, St Andrew and St George
- Learn about the Easter story

Homework: research one of the patron saints of the UK – do you think they deserve to be celebrated as the patron saint?

Health and Wellbeing

- Develop our skills in a range of team games
- Children's mental health week
- Safer internet day
- Plant bulbs to develop our connection to the outdoors
- Yoga
- Review our personal targets and goals for the year
- Jigsaw activities

Homework: Create a poster showing how you keep safe on the internet.
