

Language, Literacy and Communication

- Writing stories with a familiar setting
- Writing fantasy stories
- Write an explanation text to show how something works
- Write a non-chronological report
- Create our own comic strips of well-known stories
- Learn about Welsh superheroes
- Role play hero situations eg. Doctors, nurses, firemen
- Secret identities and superhero cards
- Invite a real life hero into school and ask questions
- Information leaflets about heroes

Homework: Retell a story of a hero in a way of your choosing. You could write a script, or a letter in character as the hero or a comic strip.

Maths and Numeracy

- Position and order 3 digit numbers in the range 100-200
- Make connections with measure and money
- Use known facts beyond 10 to derive doubles of multiples of 10
- Build multiplication facts for the 3x table using repeated addition and doubling & halving strategies
- Mentally add any multiple of 10 to any 2 digit number bridging 100
- Use place value cards to add and subtract units, tens or hundreds to or from any 3 digit numbers

Homework: find totals and give change from £1.

Science and Technology

- Explore and communicate the properties of light, sound, electricity and magnetism
- Investigate superhero skills in the class – who is the fastest? Most flexible? Who's hand is the steadiest?
- Learn about keeping safe when using the web
- Use internet search engines to follow real life heroes
- Graphics and designs for comics
- *Homework: Create a secret code and ask someone in your family to solve it*

Heroes YEAR 2

Expressive Arts

- Explore artists that celebrate heroes, looking at statues and portraits
- Create our own piece of collaborative artwork celebrating local heroes
- Learn superhero dances
- Create a Fathers' Day card
- Experiment with percussion to create imaginative sound effects for superheroes
- Design a new superhero with a costume, name and superpower etc

Homework: Make a model of a hero.

Humanities

- Look at local heroes – what did they bring to Monmouth and Wales?
- What does hero mean? Qualities of real life heroes
- Write a fact file about real life heroes
- Historical heroes – Rosa Parks, Mary Seacole

Homework: research a local place where heroes are celebrated. Why was this place chosen? What do you know about the local hero?

Health and Wellbeing

- Discover ways to be a healthy hero
- Yoga
- Update our personal targets and goals for the year
- Jigsaw activities
- Knowing who to contact in an emergency
- Learn our own address in the case of an emergency
- Identify good/bad traits of a person

Homework: Find out about a health and wellbeing hero – someone who has helped people with their health and wellbeing. E.g. Aneurin Bevan, Joe Wicks, Jamie Oliver.
