BIKES/SCOOTERS/BALANCE BIKES

Could parents please make sure that their children dismount their bikes/scooters when entering the school grounds. These are then to be pushed to the relevant parking bays – this applies to both children and adults. Many thanks in advance for your co-operation.

FSM

Could families who are entitled to FSM please apply, as this not only gives access to extra benefits but also has a significant monetary benefit for the school budget. Please see below details of how to apply. If you need any help in applying, please contact the school office and we will be glad to help.

[Free School Meals: Get Help with School Costs | GOV.WALES](#)

Also, families who are eligible for FSM can also access further benefits such as the [School Essential Grant](#).

Families with children in reception to year 11 on lower incomes and [get certain benefits](#) can apply for:

- £125 per learner and extra funding for your school
- £200 for learners entering year 7 (to help with increased costs associated with starting secondary school) and extra funding for your school

Parents and carers can claim once per child per school year.

Receiving Universal Primary Free School Meals does not automatically entitle your child to the School Essentials Grant:

- [Learners must be eligible for means-tested Free School Meals \(eFSM\)](#).
- Learners who receive free school meals due to transitional protection arrangements do not qualify.
- All children in local authority care qualify for the grant.

Receiving the School Essentials Grant will not affect your tax or other benefits.

The link for the School Essential Grant is shown below: -

FLU IMMUNISATION – WEDNESDAY 1ST OCTOBER 2025

The School Nursing Service will visit the school to offer pupils a nasal flu spray vaccine on **01/10/2025**.

The NHS recommends that your child has a flu vaccination every year. It's very important to protect your child from flu to make sure they stay as healthy as possible. The best flu vaccine for most children is a nasal spray. This is the vaccine that will be given on the day.

The online consent form and additional information can be found here: [E- Consent Form Link](#)

- <https://linktr.ee/schoolfluab>

To help make sure the vaccine is suitable for your child, and they don't miss out, please take time to read the information and follow the link to complete the electronic consent form as soon as possible, before the planned vaccination date.

The nose spray flu vaccine that contains porcine gelatine is the best protection against flu for children. If you want to have your child protected against Flu, but you do not want them to have the nose spray, you can request the gelatine free injection instead on the consent form and you will be invited to a clinic.

Should you have any difficulties accessing the above link, please contact 01633 431685 for further support.

P.T.F.A. NEWS - GLADIATOR VISIT

We are thrilled to finally let the 'cat out of the bag' - we have a special guest coming to visit Overmonnow Primary School!

As part of our Healthy Schools journey the PTFA have arranged an interactive launch day for the children. On [Friday 26th September](#) we would like all children to come in their PE kit ready for a fun day of information and activity!

We are very proud to announce that our visitor is from BBC Gladiators - the one and only STEEL, Zack George. He will be spending the morning with us leading a workshop to help promote Healthy balanced eating, Hydration, Exercise, Confidence and Mind set. Each class will also get some time with Steel to ask questions and have some photos taken - which we will share with you on Dojo.

We may send some pictures to local press outlets so please ensure that you have let us know if your child does NOT have external photo permission.

We look forward to a fantastic day!
