HEADTEACHER'S COMMENTS:

Punctuality

We are seeing increasing numbers of children arriving late to school and needing to access at the front door. Punctuality is an area that is reviewed during my monitoring session with the EWO, which has taken place today. If your child has been late more than three times this half term you will be notified during the first week back. The EWO will be monitoring improvement over the next half term.

If anyone is struggling and needs support with this please don't hesitate to contact me, a senior leader or your child's class teacher.

Parent Governor Vacancy

A vacancy for a parent governor has become available. If you would like to find out more about the role and/or would like to put your name forward, please let the office know and our Chair of Governors will contact you. In the event of two or more applications a ballot will be put out to our parent group to decide.

Enterprise Week

The children and staff really pulled out all the stops for Enterprise Week, demonstrating their entrepreneurial, marketing, banking and design skills... to name a few. Thank you for your support in visiting their stalls yesterday! The children raised an incredible amount of £795!

INSET day/return to school

A reminder that tomorrow, Friday 24th October, is an INSET day so school is not open to children. We return on Monday 3rd November.

During Nov 3rd-5th I am undertaking a school inspection in mid Wales in my role as a peer inspector. If you have any queries during this time, please use our usual channels and our admin team, your child's class teacher, a senior leader or Mr Davies will be able to assist you.

We wish you all a very enjoyable half term break.
