DOGS ON SCHOOL PREMISES

Please be reminded that dogs are not permitted on the school site or tied to our school perimeter. This is a policy for ALL Monmouthshire schools and there are signs put up around our grounds as a reminder.

Regardless of how friendly a dog may be, this can never be assumed, and many children are frightened of dogs.

The safety of the children is our primary focus. If a dog is brought onto the grounds, please expect to be asked to remove it immediately.

Thank you for your co-operation with this.

Let's Talk Neurodiversity

Monmouthshire County Council and Action for Children would like to provide more support to families within Monmouthshire that need specialist support with diagnosed or non-diagnosed neurodiversity.

The proposal is to provide holistic family support around parenting, looking at strategies to help families manage behaviour/challenges more effectively, supporting families to have better access and feel integrated in the community. Collaborating and linking families in with other services such as school etc. Thus, improving school attendance.

We would like people's feedback to give us a better understanding of the support and resources needed from the County Council and Action for Children to enhance the offer of support for families.

The survey will close at 5pm Friday, 28 November
