HEADTEACHER’S COMMENTS

New term

It has been wonderful to welcome the children back to school after the summer break. I hope the children were able to enjoy the extend period glorious weather.

We always experience a few teething problems in the first few days back, so please bear with us while we iron a few out.

An area where can parents greatly assist is with parking arrangements. **Please can I remind everyone that the parking spaces around the turning circle are for buses and permit bay holders only.** This morning we had significant issues where permit bays were taken up with non-permit holders and this caused a jam all the way up the drive.

As a reminder there is a free car park next to the skatepark opposite school which has a safe route and crossing for families to walk along.

Thank you in advance for your co-operation with this.

School Leadership

In case you missed my dojo earlier today, it is with a heavy heart that I write to inform you that I will be leaving my post as Headteacher at Overmonnow Primary in April 2027, when I will be taking early “semi-retirement”. I have provided this early notice to the Governing Body to allow sufficient time for them to effectively plan and implement the next phase of the school’s leadership successfully, and to minimise disruption.

It has been a privilege to lead the school since 2016 and I wish to thank the Governors, the senior leadership team, all the staff, the children and families. Overmonnow is a special place, and I will hold the fondest of memories.

It is my intention to continue fully in my role until I leave and look forward to continuing working successfully together until this time.

Moving forward, the Governing Body will keep you abreast of developments and decisions as they are made.

Thank you for your continued support.
