Punctuality

We continue to see increasing numbers of children arriving late to school and needing to access at the front door. Punctuality is an area that is reviewed during my monitoring session with the EWO, which takes place monthly. If your child has been late three times or more during a half term you will be notified via a letter from myself or the senior leadership team. This area of attendance is included in the monitoring by the EWO at every visit.

If anyone is struggling and needs support with this please don't hesitate to make contact with me, a senior leader or your child's class teacher.

BRADWDDEG Y MIS (Phrase of the Month)

Here is our Brawddeg y Mis, our Phrase of the Month, for September. We have been practising it in our Welsh lessons and in Welsh Assembly. Why don't you ask your child/ren to say it to you and practise at home?

DATES FOR YOUR DIARY

OPEN EVENING – MONMOUTH COMPREHENSIVE SCHOOL

Also, dates for transition this year are:

New Entrants' Evenings – 14th, 15th and 16th June 2027 (3 forms per evening)

E-Consent Flu Vaccination Session 28/09/2026 - RECEPTION TO YEAR 6

Dear Parent/Guardian,

The School Nursing Service will visit the school to offer pupils a nasal flu spray vaccine on **28/09/2026**.

The online consent form and more information can be found here:

<https://linktr.ee/schoolfluab>

We encourage all Parents/Carers to complete a consent form for their child or young person, regardless of whether they wish them to receive the vaccination.

The NHS recommends that your child has a flu vaccination every year.

It's very important to protect your child from flu to make sure they stay as healthy as possible. The best flu vaccine for most children is a nasal spray, however there is a gelatine free/inactivated injectable option available.

To help make sure the vaccine is suitable for your child, and they don't miss out, please take time to read the information and follow the link to complete the electronic consent form as soon as possible, before the planned vaccination date.

***If your child is under the care of a healthcare professional and their advice is required before vaccination, please ensure the consent form is submitted at least 3 working days before the session date. Consent forms received later than this may result in your child being unable to receive their vaccine at the school session and instead will be invited to a community clinic.

We encourage parental engagement and consent wherever possible for young people: However, everyone aged 16 years and over is presumed to have the capacity to give consent themselves, unless the opposite is demonstrated. If a child under the age of 16 fully understands what is involved, they are legally able to make an informed decision to consent. They are advised to inform their parent/guardian. However, have the right to not disclose this information if they wish. (This would apply to secondary school age children).

The nasal spray flu vaccine that contains porcine gelatine is the best protection against flu for children. If you want to have your child protected against Flu, but you do not want them to have the nasal spray, you can request the gelatine free injection instead on the consent form and you may be invited to a clinic.

If your child attends a SECONDARY SCHOOL they will receive their vaccine in school.

Should you have any difficulties accessing the above link, please contact 01633 431685 for further support.
