

Hello, my name is Miss Ursell and I can't wait to teach you in Penbryn in September.

I have a 1 year old boy called Rex. During the weekends and holidays, I love spending time with my family, visiting farms, going on walks, going camping in Devon and going on holiday!

I live in Llandogo with Rex and my partner, Dave. I have 2 sisters, who I love to spend time with. I love eating good food, especially pasta!!!

Although I am new to Overmonnow, I have been a teacher for over 10 years. I lived and taught in Japan, Tokyo for nearly 3 years.

I then taught in a Bristol primary school before moving to Wales in 2022!

I have taught in lots of different year groups, but I love teaching year 1 and 2, because you make so much progress through the year. We get to read lots of amazing stories and learn a lot of new things. I can't wait to get to know you!
