

Hello Years 4 and 5! I'm Miss Wayland and I have been a teacher for over 18 years. I grew up in a town called Cheltenham and have taught in 5 other Primary Schools before coming to Overmonnow.

I have been teaching at Overmonnow School now for 4 years.

About me...

- I only moved to Wales 5 years ago.
- I live in Monmouth.
- I enjoy spending time with my family, especially my son, who always keeps me on my toes!
- I have an older brother and younger sister and I am a typical middle child!
- I have a Jack Russell cross Chihuahua.

I love Cadbury chocolate.

I go to Cornwall every summer with my family and spend most of it on the beach.

Computing is a passion of mine as well as music, walking my dog, I love going to live gigs and festivals.

I used to have a season ticket to Charlton Athletic! Someone's got to support them! And we are on a come back!

A good day for me in school would be me helping children complete challenges that they thought they'd never overcome. I love to teach Mathematics and Computing. I also have a real passion for teaching reading and getting children to experience books that they've never experienced before. I teach in Oxwich and New Quay class (2 days in each) and wanted to be a teacher after I finished University.
