

# Miss J Owen

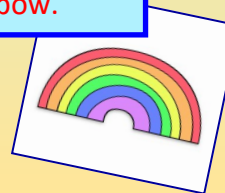

Hi! I'm Miss Owen and I teach a mixed Reception and Year 1 class. I have taught at Overmonnow for 13 years. I live in Cwmbran now but loved living in Swansea whilst at University. When I was a little girl I wanted to be hairdresser but became inspired by my big sister to become a teacher. It is such a fun job to have!

I love baking! Cakes, scones and cookies are my favourites!

Listening to music helps me to relax. One of my favourite songs is Somewhere Over the Rainbow.

My favourite meal is my mum's roast dinner. Yum!

Before I became a teacher I studied Welsh in University. I can speak fluent Welsh although it is not my first language. My favourite things to teach are Literacy, Maths and Art. I enjoy getting to know the pupils in my class and encouraging them to explore, be independent and succeed. I also love reading stories and sharing my love for this with my class.

## About me:

- ◆ I love music and can play the piano. I love to sing and would love to be part of a choir.
- ◆ I have two boys and love being with them to have lots of fun. We love going to the beach and building sandcastles.
- ◆ My favourite sports to watch are rugby (Wales playing), tennis and athletics.
- ◆ I enjoy going for walks in my local area and watching movies—especially Disney.
