

Meet Your Teacher

ABOUT ME

My name is Miss Jones and I will be teaching your class this year. One of my favourite subjects to teach is Expressive Arts as I love drawing and painting, as well as dancing! Another subject I love to teach is Welsh as I am a fluent Welsh speaker and love making learning Welsh fun through playing games and doing drama. After school, I love to run clubs like cheerleading, dancing and gymnastics, as in my spare time I compete all over the UK in cheerleading competitions. It's really fun!

FAVOURITES
