

Mrs J Whittington

Hi! I'm Mrs Whittington and I have been a teacher for over 20 years. I have been the Lead Teacher of the Special Needs Resource Base at Overmonnow since 2019.

I did a course in cake decorating. I like making cakes for family and friends on special occasions.

I love skiing!

About me...

- I live with my husband, daughter and son. I enjoy spending time with my family and friends.
- I love going on holiday; either hot, sunny places or cold, snowy places.
- I love cooking and baking.
- I love cats. I have a ginger cat called Winston.

I enjoy visiting my sister and her family in Cornwall and going for walks by the sea.

I am learning to speak Portuguese.

I am terrified of spiders!

I grew up in Monmouth and was a pupil at Overmonnow Primary School. My Mum was a teacher at the school for many years (Mrs Beach). I now live in Gloucestershire. I love teaching pupils who have Additional Learning Needs; it is a hugely rewarding job and I can't imagine doing anything else.
