

Mrs Thomas

Hi! I'm Mrs Thomas and I have been a teacher for over 14 years. I have been working at Overmonnow for 2 years. I grew up in a small village called Llandevaud near Langstone in Newport and went to school in Monmouth. I now live in Llanarth near Abergavenny. I have had lots of jobs. I worked at a radio station interviewing celebrities, at a media company buying billboards and I played the piano in a band but my favourite job is definitely being a teacher!

I love playing netball and competitive sports. I play for Usk Netball Club

I have travelled to lots of countries in the world and I love trying new things

About me...

I love spending time with my family

I have a little boy called George who is 4, a little girl called Millie who is 3 and I am married to Mr Thomas

Mr Thomas is a dog trainer and we have 12 Labradors, 5 Spaniels and a sausage dog called Sausage!

I live on a farm and have chickens and 3 horses.

I love cooking and having Sunday lunch with my family at the table.

I played the piano in a band for a while and have recorded a song at Rockfield Recording studios in Monmouth

I enjoy all food but my favourite is a Chinese dish called Dim Sum

WHAT IS A GOOD DAY?

A good day for me is when it's cold and crisp outside but the sun is shining. I love walking my dogs in the fields around my house or taking my horse for a ride. I like sitting in front of a warm log fire and watching Wales play rugby in the Autumn. I also love reading books. I like doing puzzles or making marble runs and train tracks with my children but my most favourite thing to do is to cuddle up with my children on the sofa and read them a book or watch a Disney film
